**EJTN-AEAJ Training on Conflicts of  
Norms/Multi-level protection in the  
Application of Fundamental Rights**  
[HFR/2018/02]

With financial support from the Justice  
Programme of the European Union

Day-and-a-half training organised in partnership with the Association of European Administrative Judges (AEAJ) and focused on constructive solutions to conflicts between national and European law in the application of fundamental rights and freedoms. The training will be carried out by leading practitioners and will cover topics as diverse as potential conflicts between judicial and administrative decisions and fundamental rights, conflicts between primary and secondary EU law, and between

the former and the European Convention on Human Rights (ECHR).

This training will combine theoretical lectures with practical workshops based on specialised case-studies and will serve as a forum for the exchange of knowledge and best practices between judges from across the EU. Participants are expected to have some background knowledge of the subject.
