### II- Types of costs covered

Reimbursement of cost differs for national and foreign participants. The rules are as follows:

|                              | Transport costs | Accommodation meals, local transport and sundry expenses |
|------------------------------|-----------------|--|
| <b>Foreign participants</b>  | Maximum 400€    | Daily allowances (190EUR)                                |
| <b>National participants</b> | Maximum 200€    | Actual costs basis                                       |

#### A- Travel costs (except local travel)

- The travel expenses incurred by the participants for the purpose of attending the seminar shall be reimbursed on the basis of the **most cost-effective means of transport** between their institution in the country of origin and the venue of the seminar.
- Depending on how the participants travel, the reimbursement shall cover:
  - ✓ *Travel by plane*: cost of an economy class ticket
  - ✓ *Travel by rail*: cost of a first-class ticket on the shortest route
  - ✓ *Travel by private car*: cost of 0,22 EUR per kilometre for a round trip up to a maximum of 1.200 km calculated on the basis of the shortest route (itinerary mapping in support – Michelin/Google Internet Maps), using the following formula: Kilometre claim km x 2 (in-out) x 0,22 € / km = . Participants who choose to use their own car remain fully liable for any accidents to their car or to third parties.  
In case of car sharing, the expenditure of transport by private car will be reimbursed to the participant appointed to EJTN among the participants travelling together.
- In no case shall costs derived from excess luggage or travel insurances be reimbursed. For the avoidance of doubt, and although the 400/200 Euros limit will be still applying, it will not be considered “an excess luggage cost” any expense related to the transport of one single piece of luggage per person (exceeding the standard planes’ cabin allowances’ weight or size but not exceeding the weight of 20kgs) whenever such cost is not included in the ticket’s price; in order to be entitled to the reimbursement of those costs, and in addition to the travel documents, participants must provide evidence enough that the transport of such piece of luggage was not included in the paid airlines fare.

#### B- Accommodation, meals, local transport and sundry expenses

##### 1°- Foreign participants

- Daily allowances are paid to participants. They cover participants’ expenses other than international travel, including accommodation, meals, local transport (e.g., airport to venue or city center/hotel) and sundry expenses.

The same applies for a one (1) day event. However, a full per diem will be paid for the last day of event / one day event, if the participant demonstrates that he cannot return in the same day the meeting ends due to unavailable transport
- The length of the stay abroad is determined by the documental evidence provided by the participant (see III).
- Should coffee breaks, lunches and dinners be organized and paid by EJTN, their price shall be deducted from the participants' per diem.

#### 2°- National participants

- Participants residing in the country where the event takes place will be entitled to the reimbursement of their daily expenses (in so far as these are not covered by their national institution) on the basis of their actual costs except for the participants whose institution is in the same city as the venue. - Reimbursements of the meals will not exceed 15 EUR for lunch and 25 EUR for diner.
- In order to be reimbursed, the participants must send to the EJTN dully substantiated receipts attesting to each expense claimed (see annex to the expense claim form). The aforementioned per diem limits are applicable.

#### **III- Conditions for reimbursement**

- In order to comply with EU funding rules, **relevant costs will not be reimbursed and daily allowances will not be paid without appropriate documentation being provided within the relevant deadline** (see annex to the expense claim form for the list of documents).
